MPLN

ABOUT US

Molecular Pathology Laboratory Network, Inc. (MPLN) has been on the forefront of laboratory medicine since its inception. With more than 25 years of experience, we remain dedicated to providing the best client experience by bringing you comprehensive specialty testing, informatics using the latest digital applications, and unparalleled customer service. We are committed to exploring, developing, and delivering innovative solutions and technologies that elevate our field.

What Makes MPLN Unique?

Our patient centric approach provides:

- Powerful integrated concise report
- Highly experienced pathologists who provide individualized consultation
- High-quality, timely test results
- LIS Blue™ web reporting, resulting for technical only data, and your professional interpretation
- Majority of testing performed at one facility
- Comprehensive test menu

Our business approach includes:

- LIS Blue™, a global accessible browser-based web application for reporting and analysis
- Knowledgeable and responsive Client Services Team
- MPLN Partners Program for Pathology, Cancer Centers, IVD manufacturers and laboratory test development
- Geneuity a dedicated Clinical Research Services subsidiary

MPLN Is Your One Source For:

- Molecular and Anatomic Pathology
- Immunohistochemistry
- Molecular Diagnostics and Genomics
- Flow Cytometry
- Fluorescence in situ hybridization
- Cytogenetics

MPLN's Reputation

MPLN employs highly-respected leaders and experts in the laboratory industry who share their knowledge and experience in cytogenetics, hematopathology, molecular diagnostics and clinical research services.

- MPLN's physicians are board certified in anatomic and clinical pathology, hematopathology and experienced in molecular genetic pathology.
- Their commitment to patient care is evident in the strategic approach they use to patient-specific testing using evidence-based medicine.
- Personal, professional consultations are a commonplace practice for determining the best testing strategy for each patient sample. Only then do MPLN's physicians recommend the most appropriate reflex testing and develop a strategy with you to monitor treatment efficacy.

We know that we are only as good as our clients say we are. We pride ourselves on superior service and expertise and strive every day to deliver the best client experience in laboratory medicine. Here is what our clients have to say:

- 100% of MPLN clients rate their overall experience with us as good or excellent
- 97% of clients say MPLN is patient focused and addressed all questions and concerns quickly
- 93% of clients say they would be likely or very likely to recommend MPLN to a colleague
- 97% of clients say their expectation of service and/or a resolution was met
- 97% of clients say that MPLN helps them manage their testing logistics
